PETITIONER'S COMMENTS

Please accept these comments as restated below from  
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public  
interest would be served by allocating Channel 260C3 to  
Spur, Texas as that community's first competing FM service.  
Spur, Texas is an incorporated community with a population  
of 1,088 people.<sup>1</sup> Spur has its own mayor, its own  
independent school district, its own post office, fire  
department, city offices and a number of local churches.  
Spur is a community that is certainly deserving of a first  
FM service. The proposed channel 260C3 will provide

additional diversity and an outlet for local self-expression to Spur residents and therefore is in the public interest.

Should this petition be granted and Channel 260C3 is allotted to Spur, Texas, Petitioner will apply for Channel 260C3 at Spur and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
